**Infopro Learning**

Shifting the Mindset of Traditional L&D Hiring

2023 L&D budgets will be impacted significantly due to economic pressures. **Investing in the right talent stands to be an enormous opportunity to maximize ROI.**

Traditional Hiring Methods Will No Longer Work in Future

Cost and Time Intensive Procedure
- Cost to hire and onboard is high. In most cases 2-3 month of monthly salary.
- The hiring process takes an average of 42 days.

L&D talent demand is at an all time high
- 76% of HRs find it difficult to attract the quality candidate.

Candidate Dissatisfaction and Withdrawal
- 63% of new hires leave in the first 90 days.
- 72% of candidates have multiple offers simultaneously.

Why Leverage a Trusted Learning Talent Provider
